Overview – Aadhaar Seeding and ABHA Generation

Overview – Aadhaar Seeding and ABHA Generation

This document is prepared in order to determine a functional requirement specification for seeding the Aadhaar number and display the status wherever required i.e. INS and HIS of ESIC Panchdeep Application. The demographic details will be captured for IP and their dependents through e-KYC process of UIDAI. The Aadhaar number will be authenticated through OTP.

The purpose of seeding the Aadhaar and display the Aadhaar Status in e-Pehchan Card & the benefits of implementation of Aadhaar using e-KYC and Aadhaar authentication through OTP/ Biometric are mentioned as below-

• To prevent the fraudulent activities in financial transactions.

• Aadhaar Status can be used to merge the contribution of duplicate Insured person.

Overview – Aadhaar Seeding and ABHA Generation

• Aadhaar Status can be used to perform the De duplication process and prevent the duplicate IP number generation.

• Aadhaar Status can be used to perform the e-KYC; post e-KYC system will have the UIDAI verified demographic details of the beneficiaries.

• Aadhaar Status can be used to authenticate the beneficiaries at the time of service delivery.

▶ Hi

No physical processing of paper is undertaken by ESIC for registration of Employer. If there is any complaint to the contrary, the same may be made on help-shramsuvidha@gov.in

We Are Migrating To One Unit One Identifier
Government of India plans to do away with all employer codes being issued by separate labour enforcement agencies such as ESIC, EPFO, O/O CIC(C) and DGMS etc by replacing them with new Labour Identification Number (LIN). Your unit has already been allotted a LIN and the same can be obtained online using http://tinyurl.com/whatismylin Please verify the information associated with your LIN before the current employer codes are rendered useless. The procedure to verify the information is given in http://tinyurl.com/shramsuvidha-howto For any support please contact help-shramsuvidha@gov.in

Overview – Aadhaar Seeding and ABHA Generation

Overview – Aadhaar Seeding and ABHA Generation

This document is prepared in order to determine a functional requirement specification for seeding the Aadhaar number and display the status wherever required i.e. INS and HIS of ESIC Panchdeep Application. The demographic details will be captured for IP and their dependents through e-KYC process of UIDAI. The Aadhaar number will be authenticated through OTP.

The purpose of seeding the Aadhaar and display the Aadhaar Status in e-Pehchan Card & the benefits of implementation of Aadhaar using e-KYC and Aadhaar authentication through OTP/ Biometric are mentioned as below-

• To prevent the fraudulent activities in financial transactions.

• Aadhaar Status can be used to merge the contribution of duplicate Insured person.

Overview – Aadhaar Seeding and ABHA Generation

- Aadhaar Status can be used to perform the De duplication process and prevent the duplicate IP number generation.

- Aadhaar Status can be used to perform the e-KYC; post e-KYC system will have the UIDAI verified demographic details of the beneficiaries.

- Aadhaar Status can be used to authenticate the beneficiaries at the time of service delivery.

Terms & Conditions for Collection and Use of Aadhaar number and associated information

1. I understand that my Aadhaar number, biometric information and/or One-Time Password (OTP) and demographic information, as understood under the Aadhaar (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Act, 2016 and regulations framed thereunder, is being collected by the Ministry of Labour & Employment ("Ministry") and/or ESIC for the following purposes:
   a. Authenticating my identity by way of the Aadhaar number authentication system;
   b. Strengthening digital platforms to ensure good governance and preventing dissipation of social welfare benefits;
   c. Detecting, preventing, and otherwise addressing malpractices and harmful conduct associated with disbursement of social welfare benefits and services;
   d. Resolving security or technical issues associated with disbursement of social welfare benefits and services;
   e. Measuring trends related to disbursement and effectiveness of social welfare benefits and services, and improving the quality of such benefits and services.
   f. Cross-verifying the collected Aadhaar number and associated identity information with the Aadhaar-seeded database of other Departments/Ministries of the Central Government and State Governments for the purpose of the welfare scheme (s);
   g. Delivering the benefits of various schemes of Departments/Ministries of Union and State Governments framed for welfare of citizens;
   h. Sharing of my Aadhaar number and demographic information with other Departments/Ministries of the Central Government, State Governments and local bodies for formulation or implementation of suitable welfare scheme(s).
   i. Registering on the NDUW Portal for UAN (Universal Account Number) and for availing benefits under the Code on Social Security, 2020;
   j. Accessing status of "Unorganised" or "Organised" worker and eligibility across Government programmes run by the Ministry under the Code on Social Security, 2020 or other similar welfare programmes run by other Departments/Ministries of the Central Government and State Governments;
   k. Seeding of Aadhaar number with my bank account; and
   l. All such purposes incidental to the benefits of Social Security Schemes.
2. I understand that the Ministry/ESIC shall create an Aadhaar-seeded database containing my Aadhaar number, biometric and/or One-Time Password (OTP) and demographic information for all or any of the purposes enlisted in paragraphs 1 (a)-(l) of this consent form, that the Ministry shall ensure that requisite mechanisms have been put in place to ensure safety, security and privacy of such information in accordance with applicable laws and regulations and the Ministry shall not share my biometric information with anyone for any reason whatsoever, or use it for any purpose other than authentication.
3. I understand that in case of failure to authenticate due to illness, injury or infirmity owing to old age or otherwise or any technical reasons, the Ministry/ESIC shall allow the following alternate means of identification for availing benefits under the Code on Social Security, 2020/the ESI Act, 1948:
   a. Voter ID card
   b. Ration card
   c. Passport
   d. Driving License
   e. Any Photo Identity Card issued by the Central Government, State Governments, or Union Territory Administrations; Certificate of identity with photograph issued by a Gazetted Officer on an official letterhead.
4. I have no objection to authenticating myself with Aadhaar based authentication system and give my consent to provide my Aadhaar Number, biometric information and/or One-Time password (OTP) and demographic information for Aadhaar based authentication for the purposes enlisted in paragraphs 1 (a)-(l) of this consent form and/or creation of an Aadhaar-seeded database as described in Paragraph 2 of this consent form.
